

My friend Joshua Jank is 19. He entered Hospice Care in August 2013 due to liver & lung disease complicated by Sickle Cell Anemia. He is giving “**Red Diamonds**” to people he knows & love as well as people he meets for the first time. He asked that I give you one, and share:

- This gem is **Red** because *love matters*. Love in a way that makes a difference.
- This gem is a **Diamond** because *God does amazing things under heat and pressure*. Sometimes God does His best work when life is the hardest.
